

# Noise Monitoring Report

POEO Act (1997) monitoring data

Gore Bay Port Facility – Manns Avenue, Greenwich NSW 2065

Environment Protection Licence (EPL) Number 661, held by Viva Energy Australia Pty Ltd

Record updated on: 4 April 2024

#### IMPORTANT NOTICE

This report for Gore Bay Port Facility – Manns Avenue, Greenwich NSW 2065 may contain information, data, opinions or predictions from Viva Energy or sourced from third parties. While reasonable care has been taken in relation to the preparation of this document, any person using or relying on the information, data, opinions or predictions (whether for commercial purposes or otherwise) does so at their own risk. Viva Energy (including its affiliates, employees, agents, contractors and representatives) makes no representation or warranties as to the accuracy or completeness of such information, data, opinions or predictions, and to the extent permitted by law excludes all liability for any loss or damage (whether caused by negligence or otherwise) resulting from reliance thereon. The information contained in the Report is confidential, and any copying, reproduction, disclosure or dissemination of the whole or any part of the Report is prohibited (except to the extent required by law) without the prior written consent of Viva Energy.

Viva Energy completes noise monitoring at the Gore Bay Port Facility (the "Premises"). The noise monitoring data is collected for LA10 (15 minute intervals). Noise data provided herein reflects noise from sources within the Premises and external to the Premises. It may include noise from vessels at port, maintenance activities on the Premises in addition to weather, wildlife, local traffic and other general activities occurring outside the boundary of the Premises. Figure 1 shows the location of noise monitoring (point 7) at the Premises.
