

# Environment Monitoring Report

POEO Act (1997) monitoring data

Clyde Terminal: Durham Street, Camellia NSW

Environment Protection Licence (EPL) Number 570, held by Viva Energy Australia Pty Ltd

Record updated on: 22 January 2025

#### IMPORTANT NOTICE

This report for Clyde Terminal: Durham Street, Camellia NSW may contain information, data, opinions or predictions from Viva Energy or sourced from third parties. While reasonable care has been taken in relation to the preparation of this document, any person using or relying on the information, data, opinions or predictions (whether for commercial purposes or otherwise) does so at their own risk. Viva Energy (including its affiliates, employees, agents, contractors and representatives) makes no representation or warranties as to the accuracy or completeness of such information, data, opinions or predictions, and to the extent permitted by law excludes all liability for any loss or damage (whether caused by negligence or otherwise) resulting from reliance thereon. The information contained in the Report is confidential, and any copying, reproduction, disclosure or dissemination of the whole or any part of the Report is prohibited (except to the extent required by law) without the prior written consent of Viva Energy.

Clyde Terminal has Eight (8) licensed water discharge points as specified in the EPL 570 and depicted in figure 1. The water quality monitoring requirements are specified in EPL 570, including licence limits for water quality parameters and volume. The monitoring data is provided for Point 1, Point 2, Point 4, Point 25, Point 26, Point 28, Point 29 and Point 30. A log of corrections to data is also provided.
